Mixed Farming 3  1  5 

ORANGE DISTRICT, 91 ACRES, HOME AND SHEDS!

The countryside looks magnificent at the moment and this great property fresh to the market is no exception. Located only 21 km's from Orange, this property of around 36.9Ha or 91 acres, would be excellent for your entry into rural living or maybe a second farm. There is good fencing, numerous dams a big machinery/hay shed (approximately 163m² in size), grain silo, sheep yards and a shearing shed/garage (approximately 256m²). The comfortable cottage features 3 bedrooms, lounge, family and dining rooms, covered outdoor verandah and has just had a new roof installed and a complete repaint of the exterior. There are numerous water tanks on the property for potable water and the property has served the owners very well for decades. The Orange and district market is very buoyant at the moment so do not delay in booking an inspection.

Selling in conjunction with McCarron Cullinane Orange.
